BRAZILIAN PANTANAL

**Friday 12th October 2018
7.30pm**

**An Audio-Visual Presentation
by Colin and Rhona Balls**

In the centre of South America lies an immense land locked river delta system called the PANTANAL.

It covers an area roughly half the size of France and is regarded as the finest wildlife destination in the New World.

Join us as we journey there to take a look at some of the many species of aquatic life, birds and other animals -

- **Giant Otters**
- **Caiman (crocodiles)**
- **Capybarras (world's largest rodent)**
- **Giant Anteaters**
- **South America's top predator - the Jaguar**

In addition

We visit the Iguazu, regarded as one of the greatest waterfalls in the world.

Tickets £8.00 (Refreshments included)
