The 24th Great Northern AV Festival

With PAGB Patronage (30-2018)

Friday 30th November - Mood and Music

Judith Kimber DPAGB/AV LIPF BA MA ARCM MTD CRE

Judith has been a secondary school music teacher for thirty years. For the last sixteen of those, Head of Music at Strathearn School in Belfast, her home city. Judith's own main instrument is the piano, but her real love is teaching class music, from composing theme tunes for cartoon characters with eleven-year-olds to studying Baroque oratorio and forties jazz with A level students, and everything in between.

She has been taking photographs seriously for the last five years, and learnt a huge amount since joining Bangor and North Down Camera Club.

Her friends and mentors there also introduced her to the art of AV, and she found this medium attractive from the start because it offers such great opportunities for combining music and photography. She particularly enjoys composing music for her own AV's.

Judith won the Great Northern Competition in 2017 with 'Matthew Loney's Miracle'. She has also won the NIPA & IPF Festivals and gained her DPAGB/AV in May 2018.

Judith will talk about 'Mood and Music' and will demonstrate how music creates the mood and atmosphere within an AV.

This is a talk not to be missed and will be of interest to AV workers, Film makers and music lovers

**Saturday 1st & Sunday 2nd December
'New Horizons' and 'Great Northern' Competitions**

We are keen to encourage newcomers into our hobby but have long been concerned that many of them did not want to compete with the established experienced workers. Also, so that they might improve, they needed feedback from the judges as to what they thought of their entry and how it might be improved.

It was because of this that we have introduced the 'New Horizons' competition. We hope that all the entrants to this competition will attend to hear the comments from the judges, not just on their own entry but also on the others in the competition. They will also see the higher standard of work that is entered into the Great Northern competition.

Due to the rising standard of entries we have this year increased the time limit from 6 minutes to 9 minutes for the **New Horizons entries**. We will show a block of NH entries along with a block of Great Northern entries in each session.

The **Presentation of the Awards** will conclude the weekend on the Sunday afternoon.

The top three sequences of the New Horizons will receive a copy of PicturesToExe kindly donated by Igor Kokarev of WnSoft.com

The Great Northern has Patronage from the **PAGB with Medals and Ribbons**.

The top three sequences will also receive a Royalty Free music CD kindly donated by AKM Music

The Howard Gregory Memorial Trophy
for
'The Most Creative Soundtrack'

All entries in both the Great Northern and New Horizons will be eligible for this award.

The Judges will be looking for the best use of all the elements that have been blended together creatively by the Author to produce a soundtrack that compliments and enhances the Sequence

Unfortunately we will not be able to post out this trophy, so you will have to attend to be able to receive it! Also it will only be held for 12 months and must be returned in time for the following year's competitions.

Booking/Entry Forms to be returned by **28th October 2018**
